Dear Rachel Bernstein:

Thank you for the assistance you provided to Child Protective Services in Eldorado and San Angelo, Texas. This was easily the largest single removal in the history the Department of Family and Protective Services and a major undertaking. With support from individuals and organizations alike, we were able to provide for the safety and well-being of over 400 children.

The commitment, dedication and willingness to help from so many were overwhelming. There are truly unsung heroes that assisted during this time. Therefore, it is with much gratitude that I express my sincere appreciation to you and your organization.

Your contributions have had a tremendous impact on the outcome of this situation and I deeply appreciate your dedication and commitment. I am honored to have the privilege to work with you. If I or my staff can be of any assistance to you, please let us know.

Sincerely,

Joyce James
Assistant Commissioner for Child Protective Services
